

New Kensington Civic Theatre  
November 2014  
CALLBOARD

Well, we made it through the first production, amazingly, without a major problem. We were missing a few key people due to illness. Carla had an enjoyable trip to Europe and upon her return, she developed pneumonia. Carla is still recovering and is anxiously awaiting the return of good health. In addition, Ron Ferrara endured an emergency operation to repair a tear in his aorta! Thank heaven, he is back home and on the mend. He has a long road ahead to a full recovery and, luckily, he has Mary to make sure he stays on the right path.

**In Sympathy:** Sadly, I must report that Mary Ferrara’s mother passed away on Friday, November 07, 2014. I know that we all extend our sincerest and deepest sympathies for her most grievous loss. Our thoughts and prayers are with her.

**NOTE: A GENERAL MEETING IS NOT SCHEDULED FOR NOVEMBER.**

The executive board is meeting Monday, November 17 at 7:30 PM at the workshop.

Anyone is welcome to attend this meeting.
